

## Download and Install – Android

1. Tap on the Google [Play Store](#) icon

2. In Google Play, tap on **Apps** located on the bottom navigation bar

3. In the Play Store screen, tap the search bar  
**Note:** the location of the search bar may vary by the Android OS
4. Enter **zoom** in the search text area, and then tap **ZOOM Cloud Meetings** from the search results

5. In the next screen, tap the **Install** button   
**Note:** If you receive a permission screen, tap the **Accept** button after reviewing the applicable permissions.

6. After Zoom has installed, tap the **Open** button 
7. Once completed, the page should look similar to the one below:
